		I am genuinely interested and excited by the royal wedding	I'm not really interested in the royal wedding but I'll still probably watch it	I'm more excited by the thought of an extra Bank Holiday than I am by the thought of the Royal Wedding	The throne should pass directly to Prince William upon the death of the Queen, rather than go to Prince Charles	With Kate becoming a Princess, the monarchy will become more about glamour and celebrity than upholding British values	The royal wedding will give the country a strong feel good factor
