Table 2

Data derived from:-

**Q.A** Some people have said they would not vote in a new General Election, while others would go and vote at their polling station.

I would like to know how certain it is that you would actually go and vote in a general election?

**Q.B** The Conservatives, Labour, the Liberal Democrats and other parties would fight a new election in your area.

If there were a general election tomorrow which party do you think you would vote for?

Data excludes those who definitely will not vote (9%), don't know who they would vote for (17%) or refuse to answer (7%)

**Q.5 Some people say that criminal justice system needs a detailed, independent review - such as a Royal Commission - of its workings which would ideally make recommendations on possible reform. Others think the criminal justice system is working fine as it is. Would you support or oppose the idea of an independent review?**
